Mayor: What was that message - you said - you sent to me thru Ryan - I forgot it.

Campbell: About Houston Emory.

Mayor: Ah yes, I remember now.

Campbell: I thought I would tell you that there was anything to it, before you go ahead + start something on it. Jones gave me the straight on it + I passed it on to Mr. Ryan for you. I misunderstood the first of it.

Mayor: I believe this is going to be a wholesome thing. I think the committee is beginning to realize that this bally-hoo is just a political fight.

Campbell: I think so too - I talked with Branford this morning, & he indicated that the Committee is going to dump the investigation into the Attorney General's lap.

Mayor: That'll be fine -

Campbell: Murray is going to be with us on it.

Mayor: I think that Murray is a good, honest fellow, & will give us a square deal on it.

Campbell: Yeah - he's all right. I'll keep in touch with Branford, & keep you advised.

Mayor: If they turn that over to the Attorney General's Office - it will be a honest & square way of handling it. Jack Holt will be fair in it.

Memorandum for Inspector E.J. Connelley.

BREKID.

Attached hereto are the logs for January 20, 1937, for telephone taps on telephones 125,446 and 648 at Hot Springs Ark.

Your attention is directed to the telephone call at 10.07 A.M. on telephone #648 between Mayor L. P. McLaughlin and State Representative James Campbell and subsequent conversations of the Mayor with other persons at 11.18 A.M., 11.40 A.M. and 11.51 A.M., where the Mayor indicates his confidence in the opinion that the legislative investigation of the administration "fizzling out".

Also note in the above calls that Mayor McLaughlin practically dictated to Rep. Campbell and State Senator Wheatley as to how they should vote on legislative matters. McLaughlin did practically the same thing in talking with State Representative Hollingsworth in the conversation over #648 at 9.47 A.M.

In the call at 10.20 A.M. over telephone #648, the Mayor agreed to fix a parking ticket for one of John Clements' "boys".

January 18, 1937

MEMORANDUM FOR INSPECTOR E. J. CONNELLEY:

Re: Brekid.

There are attached hereto the logs for January 17, 1937 taps on telephones listed to the Chief of Police, City Jailor, Office, all located in the City Hall at Hot Springs, Arkansas.

The call at 5:17 A.M. indicates that Mayor McLaughlin issued to close all cheap "joints" in Hot Springs, Arkansas at 11:00 P. due to the recent "heat" placed on the town by the passing of the solution demanding a Legislative investigation of Hot Springs.

That call at 5:25 A.M. between Lillian Pearrow and Night Cap discloses that the houses of prostitution in Hot Springs are being with knowledge and co-operation of the local police. Lillian Pearrow of a house of prostitution at 105 Prospect Street, Hot Springs.

The calls recorded at 1:55 P.M. and 10:47 A.M. ~~xxxxxx~~ pertain to \$25.00 gambling debt mentioned in yesterday's memorandum. It appears "Dutch" Akers is playing both ends in this case.

Respectfully submitted,

Dr. Stough - Yes, Leo. I'm interested in helping Joe Scott out of the trouble he's in. I want your advice about who to get for his lawyer. I expect to pay the attorney's fee. Joe Scott has always been a friend of mine and helped me on some occasions.

McLaughlin - Well, he's in a pretty bad fix right now. People are pretty much stirred up over this. A lot of them blame what's happening in the legislature on that Dickson Case. Bad publicity for the town and the merchants don't like it. It's going to be pretty hard on him and all of them.

Dr. Stough - Would you or Richard
(cont.)

(cont.)

Has

Ryan, consider taking his case?
McLaughlin - No, I wouldn't, and
I'm sure Ryan wouldn't either.
I heard him discuss the matter
the other day. Another reason
why he wouldn't is because
I fired those boys, and a lot
of people think Dick and I
are law partners together. We're
not partners, but try most of
our cases together. In fact last
year we handled more business
together than any other two
lawyers in Hot Springs. Dick
wouldn't take the case on that
account.

Dr. Stough - Who would you suggest for
me to get to represent him?

McLaughlin - I'd suggest Judge Cotham.

He'd be as good as you could get.

Dr. Stough - Thanks, Doc. I wanted

1000-
your opinion who to get, just
like you might ask me for
a medical opinion. Personally,
I don't believe that Joe Scott
had anything at all to do
with that case.

Hot Springs Ark.
January 24, 1937.

Memorandum to Inspector E.J. Connelley.

BREKID.

There are attached the logs for January 21, 1937 on the taps being maintained on telephones 125,446 and 648 at Hot Springs Ark.

It appears from the telephone call made by Mayor McLaughlin at 9.55A.M. to 2115 that this telephone is the unlisted telephone at the residence of William S. Jacobs. The subsequent telephone call made by Jacobs to McLaughlin at 9.54A.M. reflects their close association, it being noted that Jacobs is reported as practically controlling gambling at Hot Springs.

Your attention is directed to the telephone call over #648 at 10.15A.M., wherein Carroll Hollingsworth reports to McLaughlin from Little Rock the status of the present legislative inquiry of the city administration at Hot Springs. From conversations previously overheard it appears that McLaughlin is the political "Boss" in Hot Springs and vicinity and controls and directs the official acts of Representatives James Campbell & Carroll Hollingsworth and State Senator Wheatley.

Note that Chief of Detectives Herbert "Dutch" Akers is confined to his bed with an attack of "Flu".

Respectfully submitted.

I didn't intend this to be a political
discussion. That portion about the
Sheriff's boys being messengers for
you was recalled for.

Douder: No sir, we haven't.

Mayor: See if he was there in the last day or two.

Douder: No, no record of him.

Mayor: He's in the trucking business - he might have been picked up on an occupation tax case.

Douder: Nobody here by that name.
